## BACKGROUND

Fatima Home for the Needy Foundation (FATNEF) is a non-profit organization committed to supporting vulnerable individuals and communities. Our mission is to alleviate hardship and promote lasting change through comprehensive care, empowerment, and humanitarian support programs.

One of the core areas of focus for FATNEF is providing emergency support to individuals and communities affected by crises such as natural disasters, conflict, and displacement. We strive to deliver essential services — including education, food, clean water, shelter, and medical care — promptly and effectively to those in urgent need.

In addition to providing emergency support, Fatima Home for the Needy Foundation (FATNEF) implements long-term development programs aimed at enhancing the overall well-being of vulnerable communities. These include educational initiatives, access to healthcare services, and livelihood support — all designed to empower individuals and help communities recover, rebuild, and thrive after crises.

At the heart of our mission is a deep commitment to protecting the dignity and rights of every individual, regardless of their background or life situation. FATNEF believes that everyone deserves access to essential needs and the chance to build a better future. Through our diverse programs and initiatives, we work tirelessly to turn this belief into a lasting reality.

Through strong collaboration with local partners, dedicated volunteers, and generous donors, FATNEF continues to make a meaningful impact in the lives of vulnerable groups — including children, youth, women, and street-connected children across Nigeria. Together, we are working toward a more compassionate and equitable world where everyone has the opportunity to live with dignity, hope, and purpose.

The organization has its head office in Kaduna State in Northwestern Nigeria.

FATNEF was established in 2022, however, started working in the early 2024.

FATNEF is now registered with the Federal Government of Nigeria under the Corporate Affairs Commission (C.A.C.).

The FATNEF leadership comprises governance structure include the Management Team (MT) which oversees the organization's day-to-day smooth operations, and the Board of Trustees (BoT) which offers strategic direction, policy-related matters, and technical guidance.

FATNEF has 10 full-time staff, 130 active volunteers across Kaduna State. When it comes to emergency and catastrophe reactions, the staff are ready to rove, self-motivated, assiduous, dedicated, and highly skilled. Each member of FATNEF has specific qualities that have helped to sustain and run the organization. From health to management, nursing to administration, social sciences and information technology, the team comprises of diverse groups and the key members of the team are well-equipped with skills in writing grant proposals and applications, planning, implementation and monitoring of programs, report writing, research and M&E, coordination & management, innovations and application of technology.

Working closely with both rural and urban populations, FATNEF has demonstrated that it is an excellent sculptor of society. It has also carved out a niche for itself, built strong working relationships with all pertinent parties, and adheres to national and international standards and best practices.
